### Flower Festival - Eureka!

From Friday June 8<sup>th</sup> to Monday June 11<sup>th</sup> 2018 a spectacular Flower Festival with music will be held at St. Dunstan's Church, Monks Risborough, the oldest recorded ecclesiastical parish in England. This will feature 30 stunning flower arrangements to celebrate ground breaking British discoveries and inventions. These include antibiotics, the refrigerator, the steam engine, the light bulb etc. Set in a conservation area, the church provides a unique opportunity to relax with refreshments and cream teas, buy plants, explore the work of the Buckinghamshire Garden Trust, and listen to concerts and organ music. A 'songs of praise' style service will be held on Sunday evening at 6pm with the Bishop of Oxford as part of the celebration and monies raised from this weekend will be used to help redecorate and repair this Grade I listed Church.
